### **PURPOSE of P.A.R.A...**

Organized in Philipsburg, PA as a non-profit association to provide technical expertise to the local community through public awareness for the amateur radio hobby. Additionally, P.A.R.A. will help provide a background of information for the non-technical or lay person who is interested in becoming an amateur radio operator, by demonstration of equipment, and providing a reservoir of knowledge and experience represented within the membership of P.A.R.A. This extends to help *all* interested people, especially non-licensed amateurs who show interest in starting out in this life-long hobby for self-enjoyment and personal advancement.

P.A.R.A will help provide any additional communication for the Philipsburg area through contact with any of its officers, in writing, when asked by any official community agency (fire & police), for the protection of life or property.
